

ACADEMIC AND PROFESSIONAL HISTORY

April 2018

WILLIAM R. BRICE **wbrice@pitt.edu**
Professor Emeritus, Geology & Planetary Science
University of Pittsburgh at Johnstown
Johnstown, PA 15904 USA

Mike Henderson Photo

University of Florida, Gainesville, Florida (1954-1958) - Bachelor of Science (B.S.) in physics and mathematics (1958)

University of Tasmania, Hobart, Tasmania, Australia (1963-1965) - Diploma of Education (Dip. Ed.) in science education (1965).

Cornell University, Ithaca, New York (1967-1968) - Master of Science for Teachers (M.S.T.) in earth science education (1968).

Cornell University, Ithaca, New York (1968-1971) - Doctor of Philosophy (Ph.D.) in geochemistry (1971).

FIELDS OF SPECIALIZATION:

General: Geology

Special: History of the Oil and Gas Industry
Special: Astronomy (Solar System)
Special: Igneous & Metamorphic Petrology
Special: History & Philosophy of Science

Special: History of Geology
Special: Mineralogy
Special: Soil Science
Special: Theater Lighting Design

ACADEMIC POSITIONS:

University of Pittsburgh at Johnstown:

Professor Emeritus	2005-Present
Professor	1988-2005
Chairperson, Division of Natural Sciences	1993-1997
Associate Professor	1976-1988
Assistant Professor	1971-1976

Institute for Shipboard Education

Professor of Geology & Oceanography	Fall Voyage 2005
-------------------------------------	------------------

Cornell University (Summer Session)

Visiting Professor	1990-2002
Visiting Associate Professor	1977-1990
Visiting Assistant Professor	1976

Instructor - Shell Summer Merit Program 1970 & 1971

University of Pittsburgh Center for the Philosophy of Science
Associate 1987-Present

State University at Campinas (UNICAMP), Campinas, SP, Brazil
Visiting Lecturer and Researcher, 1992, 2001

Tasmanian College of Advanced Education - Hobart, Tasmania, Australia
Visiting Professor - Teacher Training Department January-May 1978

University of Tasmania, Hobart Tasmania, Australia
Research Associate - January-May 1978

Clermont High School - Clermont, Florida
Head, Science Department 1965-67
Science Teacher (Physics & Mathematics) 1960-62

Taroona High School - Taroona, Tasmania, Australia
Assistant Master (Science & Mathematics) 1962-65

HONORS, AWARDS, AND GRANTS

Samuel T. Pees *Keeper of the Flame* Award 2015
Petroleum History Institute

Elected to membership:
International Commission on the History of Geological Sciences (INHIGEO)
June 2014

Travel Grant – September 2013
BraNobel Conference – Research-Innovation
Stockholm, Sweden, September 13-14.

The first annual *Yellow Dog Award* (2011)¹ for excellence in oil history
Parkersburg Oil & Gas Museum, Parkersburg, West Virginia.

John A. Mather Award for 2010
Friends of Drake Well, Inc.

The Gerald M. and Sue T. Friedman Distinguished Service Award 2008
History & Philosophy of Geology Division/Geological Society of America

¹ Yellow dog is the name given to the cast iron, twin-spout pot that was used as a crude oil-burning lamp on the drilling rigs in the late 1800s. Today these “yellow dog” lanterns are prized items for collectors.

Distinguished Service Award 2005
Petroleum History Institute

President's Award for Excellence in Teaching - 2004
University of Pittsburgh at Johnstown

Dr. Edward A. Vizzini Teacher of the Year Award - 2003
Division of Natural Sciences, University of Pittsburgh at Johnstown

Travel Grant - May 2001
IGE/UNICAMP
Universidade Estadual de Campinas, Campinas, SP, Brazil

Marquis Who's Who in America
1999, 2000, 2001, 2002, 2003, 2004, 2005

Distinguished Service Award - 1999
Eastern Section/National Association of Geoscience Teachers
First Recipient of this Eastern Section Award

Fellow - Geological Society of America
Elected - October 1993

George Frederick Matthew Research Fellowship - August 1992
New Brunswick Museum, Saint John, NB, Canada

Travel Grant – May 1992
Fundo de Apoio as Ensinas e a Pesquisa, Universidade Estadual de Campinas
Campinas, SP, Brazil

Hall of Fame (Charter Member) - Inducted May 1989
Clermont High School; Clermont, Florida

Teaching Improvement Grant - 1982
Faculty Research Grant - 1980
University of Pittsburgh, Pittsburgh, Pennsylvania

Innovations in College Science Teaching - Third Place Award 1976
National Science Teachers Association/ OHAUS

PROFESSIONAL AFFILIATIONS

National Association of Geoscience Teachers ²	1971- 2012
Associate Editor, <i>Journal of Geoscience Education</i> ³	1985-1989
Member, NAGT Field Camp Scholarship Review Committee	1985-1989
Eastern Section/NAGT	
Chair, Review Committee	2000-2005
Distinguished Service Award	
Co-Organizer, Annual Meeting	1999
Secretary/Treasurer	1976-1992
Editor, Newsletter	1980-1982
Workshop Coordinator (Annual Meeting)	1980
Chairman, Membership Committee	1973-1974
Geological Society of America	
Elected to Fellowship	1974-Present
Member, External Awards Committee	1993
Abstract Reviewer (Annual Meeting)	1997-1998
Member, Educational Division	1980, 1997, 1998
Member, History & Philosophy of Geology Division	
Co-chair, History of the Petroleum Industry: Hydraulic Fracturing – the 20 th and 21 st Century.	
GSA Annual Meeting, Seattle, Washington, October 23, 2017	
Co-Chair; 250 Years of Geology in the Northeast: Northeastern Section Meeting, Hartford, Connecticut, March 18	2012
Member, Awards Review Committee	2008-Present
Mary C. Rabbitt Fund	
Chair, Proposal Review Committee	2007-Present
Secretary/Treasurer/Newsletter Editor	1998-2007
Chair, Awards Committee	1996-1997, 2013

² Formerly "National Association of Geology Teachers."

³ Formerly "*Journal of Geological Education*."

Member, North American Section	1996-1998
Hutton-Lyell Bicentenary 1997-1998 Committee	
Meetings-London and Edinburgh August 1997	
and Toronto 1998	
Chair	1995-1996
First Vice-Chair	1994-1995
Second Vice-Chair	1993-1994
Chairman, Nominating Committee	1985-1989
Member, Review Committee DNAG Volume	1984-1985
<i>Centennial Special Volume No. 1</i>	
Member	1981-1983
Committee for the Decade of North American Geology (DNAG)	
Association for Women Geoscientists	1990-1999
Member, Education Committee	1993-1994
Drake Well Foundation	1998-Foundation Dissolved 2003
Member, Board of Directors	
President 2003	
Vice-President 2001-2003	
Chairman, Planning Committee - 150 th Anniversary Celebration	2009
Chairman, Symposium-History of the Oil Industry - June	2001
Member-Editorial Board of <i>Oil Industry History</i>	
History of Earth Sciences Society	Charter Member 1982-Present
President	2003-2005
President-Elect	2001-2003
Associate Editor	2007-Present
<i>Earth Sciences History</i>	
Petroleum History Institute	Founding Member 2003-Present
Inaugural President	2003-2005
Second Vice-President	2013-Present
Member-Editorial Board of <i>Oil-Industry History</i>	2003-Present
Editor <i>Oil-Industry History</i>	2003-2013
Representative, <i>Oil 150</i> Steering Committee	2006-2009
Drake Well 150 th Anniversary Celebration Activities	
Annual Meeting – Symposium Chair	2008-Present
Conference Chair, PHI Pittsburgh	2013
Conference Co-Chair, PHI Bradford	2014
International Commission on the History of Geological Sciences (INHIGEO)	
Elected to Membership	June 2014
Editor, Elected	2016

Licensed Professional Geologist
New Hampshire 2003-2013

_____: *Earth Science*: By Robert J. Foster: In: *Journal of College Science Teaching*.

1982: *Economic mineral deposits*: By Mead L. Jensen and Alan M. Bateman: In: *Journal of Geological Education*, v. 30, p. 179.

1981: *Rocks and minerals*: By Richard Dietrich and Brian Skinner: In: *Journal of Geological Education*, v. 29, p. 195.

_____: *Earth, space and time-an introduction to earth science*: By John Navarra: In: *Journal of College Science Teaching*, v. 10, no. 4, p. 250.

1979: *Reply and comment*: Review of: *The earth through time*: By Harold Levin: In: *Journal of Geological Education*, v. 27. p. 177-178.

1978: *The earth through time*: By Harold Levin: In: *Journal of Geological Education*, v. 27, p.28.

1976: *Geology-the paradox of man*: by Keith Young: In: *Journal of College Science Teaching*, v. 5, p. 331.

CONTINUING EDUCATION:

- 1999: Teaching Undergraduate Geology - Short Course
 Evolution and Creationism - A Continuing Problem - Short Course
 Geological Society of America - Denver, October 23-24.
- 1998: Philosophical Problems in the Historiography of Science
 Center for the Philosophy of Science
 University of Pittsburgh, November 14-15.
- _____: Seminar - Directing Undergraduate Research - Strategies for Success, and
 Workshop on Innovative and Effective Techniques for Teaching Geoscience
 Annual Meeting, Geological Society of America
 Toronto, October 25.
- 1997: Paleosols - Short Course
 Annual Meeting, Geological Society of America
 Salt Lake City, Utah, October 18.
- 1992: Use of Television in geology Classes-Short Course
 Annual Meeting, Geological society of America
 Cincinnati, Ohio
- 1989: Appalachian Geomorphology - William Morris Davis Re-visited
 Symposium, Dickinson College, Carlisle, Pennsylvania
- _____: Microtextures of Sheared Rocks
 Short course - Annual Meeting Northeastern Section/Geological Society of America
 New Brunswick, New Jersey
- 1988: Technical Writing for Geologists
 Short Course - Annual Meeting, Geological Society of America
 Denver, Colorado
- 1987: Teaching the History of Geology
 Short Course - Annual Meeting, Geological Society of America
 Phoenix, Arizona
- 1986: Disposal of Low-level Radioactive Waste-Symposium
 American Institute of Professional Geologists.
- 1985: Writing for the Geoscientist - Short Course
 Annual Meeting, Geological Society of America
- 1983: Charles Darwin - A Contemporary View
 Symposium - Millersville University

- ____: Microcomputers in Geological Education
Short Course - Annual Meeting
Geological Society of America
- 1981: Mineral Economics Symposium
Am. Inst. of Mining, Metallurgical and Petroleum Engineers; Washington, D. C.
- 1980: Cosmology - Chautauqua Short Course
Temple University, Philadelphia.
- ____: Coal Petrography - Short Course
Central Section/Geological Association of America
Annual Meeting, University of Indiana.

STUDENT RESEARCH PROJECTS:

- 2000: Photographic Atlas of Igneous Textures
Laura Thomas
- 1999: Petrography of Drill Core NM-3, Duluth Complex, Minnesota.
Sean Chelius
- 1998: Mineral Analysis-Pennsylvania Diabase Drill Core
Scott Poborsky and Craig Thomas
- 1983: Petrographic Manual
Brenda Lint
- ____: Mauch Chunk Correlations
Kim Matthews
- 1982: Loyalhanna Outcrops - Conemaugh Gorge Area
Brenda Hockensmith and Thomas Mourey
- 1981: Description of the Diabase and Geology-Gettysburg, PA
Patrick Bowling
- 1980: Mass Wasting on the UPJ Campus
Richard Borkowski, Daniel Pfahl, and Richard Wolfson
- ____: Petrographic Analysis of Drill Core NM-7; Duluth Complex
Greg Bunk
- 1979: Loyalhanna Limestone - Depositional Environment
John Peters and John Ninesteel
- ____: The Frostline and Soil Temperature
Donald Gibson and John Zubal
- 1976: Strip mine Reclamation
Mark Horn
- 1975: The Effects of Sulphur Pollution on the Weathering Process
Denis Zielinski.
